CONCRETO

CONCRETE COATINGS
FOR INTERIORS & EXTERIORS

CONCRETO COATINGS is a new generation advanced system specially designed for Wall & floor cement seamless finishes. It's consisting of premium quality 3 component decorative coating system designed to rejuvenate existing or degraded walls, floors, furnitures, kitchen tops etc, giving them the look & feel of new concrete.

CONCRETO COATINGS is available in a base colour that can be tinted to achieve customized effects on a multiple of surfaces including concrete, metal, ceramic tiles, dry walls boards, marble, wood, plastic & glass.

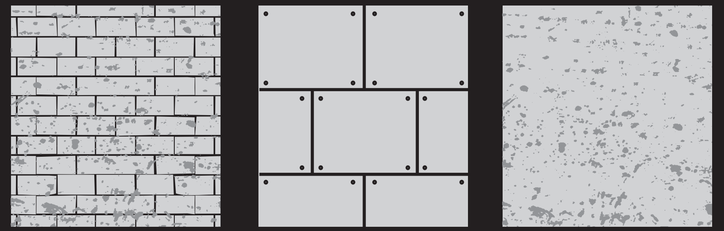

CONCRETO COATINGS can be applied in a number of patterns like smooth, polished, honey combed & bespoke finishes using stencils & special tools
